

Our Provider

Yousuf Qureshi, M.D.

Dr. Yousuf Qureshi is a board-certified dermatologist from Manhasset, N.Y., who received his bachelor's degree in human biology from Brown University in Providence, R.I., and earned his medical degree from Harvard Medical School in Boston, Mass.

After graduating from Harvard Medical School, he completed an internal medicine internship at McGaw Medical Center of Northwestern University in Chicago, and later went on to complete a dermatology residency at the University of Texas Southwestern Medical Center in Dallas.

Throughout his extensive education and clinical experience, Dr. Qureshi learned how to direct patients toward effective treatment avenues and performed numerous cosmetic, surgical, and medical skin-related procedures. He also helped lead multiple research projects, which include Development, Usability, and Preference for an Evidence-Based Educational Smartphone Application for Patients with Atopic Dermatitis, Melanoma Screening Practices in Dark-Skinned Patients, and a Cardiology and Metabolic Patient (CAMP) Cohort Study.

Away from medicine, Dr. Qureshi enjoys reading automotive journals, cooking, fitness, and spending time with his family.
